

## Speaker Biography

### Cynthia Robinson

Sr. Medical Director

Janssen Vaccines & Prevention

Dr. Robinson is a Sr. Medical Director in Janssen Vaccines & Prevention. She is the medical leader for Janssen's Ebola vaccines, guiding the clinical development since 2017. As such, she has been the Project leader for the IMI-sponsored EBOVAC work packages dedicated to the clinical development and regulatory approval of this Ebola vaccine.

Dr. Robinson is a pulmonary/critical care physician with specific expertise in adult Cystic Fibrosis and lung transplant. Her post doc work was on vitamin A regulated gene expression in airway epithelial cells. She has over 25 years experience in drug development, culminating in the approval of the Ebola vaccine in 2020.

In her spare time, she enjoys hiking with her dogs and playing the oboe in 4 community orchestras.
