

# Klaus – Dieter Axt

Member of the IHI JU Governing Board

Secretary-General, COCIR

On 1 June 2025 Klaus-Dieter Axt started in the role of Secretary-General of COCIR, the European Trade Association representing the medical imaging, radiotherapy, health ICT and electromedical industries. Prior this he served as Executive Director EUnited, the European Engineering Industries Association since 2021, managing the association and leading the Brussels office.

Before that he worked at Samsung's European Public Affairs office from August to December 2020 as Head of Policy.

From 2012 to June 2020 he worked at DIGITALEUROPE, voice of the European digital technology industry as Director for Digital Technology and Innovation (DTI) and Outreach to the European Parliament.

Before that, he held various other positions in various European trade associations since 2002.
