

Myriam Cevallos

**Member of the IHI JU
States Representatives Group**

Group Leader Policy and Negotiation

**International Programmes Research
and Innovation
Federal Department of Economic
Affairs, Education and Research EAER
State Secretariat for Education,
Research and Innovation SERI**

Myriam Cevallos leads the Team Policy and Negotiation within International Programmes for Research and Innovation at the Swiss State Secretariat for Education, Research and Innovation (SERI). In this capacity, she represents Switzerland in major international health-research and innovation initiatives, advises on strategic orientations, connects national priorities with the international research agenda, and supports the alignment of health-research funding.

She has extensive experience in coordinating multinational research initiatives and has worked for many years at the interface of science, policy, and international collaboration. She studied Epidemiology at the London School of Hygiene & Tropical Medicine and Biology at the University of Basel, bringing strong methodological expertise and many years of experience working at the interface of science, policy, and international collaboration.
